NEWS

Bridging a digital gap

BY CAITLIN JARVIS

WHEN the COVID-19 pandemic hit Tasmanian learning, the switch to online learning by the University of Tasmania was a success. Those

students helped to soften the blow. However, it was not always a smooth ride, and UTAS teachers learned a lot about what worked – and what didn't. Those

with delegates from a number of South East Asian universities to collaborate and learn from each other.

UTAS researcher Dr Vinh To said that those universities in her network

research, and through her personal and professional networks, that online learning was a new concept to SE Asia. She said that those

help the AAEF, but also the others. Dr To said: "We are just sharing our ideas because we have

Govt orders action to tackle development challenges

Prime Minister Phankham Viphavanh.

The government has instructed the sectors concerned to prepare for the official opening of the Lao People's Democratic Republic in the Year of Tourism in New National Decade.

Government leaders have also approved five bills to be submitted to the national agenda, which will help to ease the financial difficulties and debts.

These laws will be submitted for debate at an extraordinary session of the National Assembly next month.

The above issues were among the topics debated at the 20th session of the National Assembly on July 26-27, chaired by Prime Minister Phankham Viphavanh and attended by Vice Minister of Public Works and Transport and

Minister of Health.

Laos to get 1.4 million doses of Covid vaccine in coming weeks

China and the United Kingdom will provide Laos with more than 1.4 million doses of the AstraZeneca Covid-19 Prevention and Control said on Tuesday.

The United Kingdom will provide one million doses of its Biontech/Pfizer vaccine next week, while

Alarming surge in Covid cases forces Civil Hospital Karachi to shut OPDs, cancel surgeries

Law relating to national heritage and inheritance and inheritance of the city, the Dr Ruth Patai Civil Hospital in Karachi has been closed all its key functions, shut off its outpatient clinics (OPDs) and suspended all admissions.

As a doctor body warned that the highly transmissible Delta variant could lead to almost 100 percent of the country's population.

The five laws approved by the National Assembly include draft amended laws on the budget, the income tax, excise tax, and drug control.

The government also approved the 2021-22 budget for the ordinary session of the National Assembly on July 26-27, chaired by Prime Minister Phankham Viphavanh and attended by Vice Minister of Public Works and Transport and

Government leaders
